

August 2008

Dear Fourth Grade Families,

Welcome to fourth grade at St. Martin. I am looking forward to working with you and your children to make this a special year.

Some of the activities we have in fourth grade are history fieldtrips, such as "The Peralta House Tour" October 31st, seeing a play at the Sunnyvale Theatre about Jackie Robinson reflecting a story in our 4th grade reader, creating small clay models of missions, starting a chess club, selecting a service to help the Homeless for the year, and several other hands on activities to reinforce learning in our core subject areas.

I am excited with the different activities planned for your children. Please come and visit the class or call if there are any questions.

Sincerely,

Donna

Mrs. Donna Wojtkowski
