We want 100% participation of all grades to make the class baskets. Help support the auction and the Classroom Basket Coordinators (CBC) to make your class basket another big hit at the Auction!

Classroom Baskets \$10 Donation Request

Thank you to the parents who have volunteered to be "Classroom Basket Coordinators" also known as CBCs.

As part of our auction success, each class submits a "basket" containing themed items for auction during our event. These baskets are truly the highlight of the evening as most are personalized and contain sentimental value for those who purchase them. In order for the baskets to be created, we need donations and assistance from all our parents. Examples from the past include: hand-painted chairs & table, quilts with kids paintings, photo collage, special artwork & ceramic pieces with the kids' artwork or signature.

We are requesting a minimum cash tax deductible donation of \$10.00 per child per class toward the purchase and creation of themed basket contents.

Donations need to be submitted no later than November 22, 2008. Please submit your cash donation to your child's teacher in a sealed envelope marked with your child's name, grade and "AUCTION." For your convenience, the "CBCs" will distribute envelopes to each child.

We encourage you all to work with your CBC to generate great ideas. We look forward to the kids' creativity!
